## POCKET MONEY

### CC STAFF

- During the first 30 days, CC disburses one-time 'welcome money' checks to refugee households: \$50 per adult per wk, \$25 per child per wk, with the children's money split evenly between the parents (two checks are given to two-parent households, and the total funding is for one month)
- After the first 30 days, during the Match Grant period, CC disburses pocket money monthly until parents become self-sufficient through employment: \$50 per adult per wk, \$10 per child per wk, with the children's money split evenly between the parents (disbursement method is same as above)

## ACCESSING SERVICES

### CC STAFF

- During the first 30-90 days, CC staff receives I-94 documents, Social Security Cards and EADs (Employment Authorization), and applies for:
- SNAP benefits (food stamps)
- TennCare (health insurance) for families or RMA (Refugee Medical Assistance) for adults only
- Selective Service (for males ages 18-25)
