

CATHOLIC CHARITIES, DIOCESE OF NASHVILLE

Festival of HOPE

Tuesday, April 18, 2023 • Catholic Pastoral Center
7:00 a.m. Registration/Networking • 7:30 a.m. Program/Breakfast

Our *Festival of Hope* breakfast event allows us to connect with friends old and new, build awareness for our programs, and solicit financial support to serve the ever increasing number of people in need.

How is Catholic Charities vital today?

We serve more than 25,000 people annually throughout Middle Tennessee, one of the fastest-growing regions in the country. The last few tumultuous years have resulted in extraordinary hardships and uncertainty for many. With our promise of “love, hope, and healing,” our goal is to provide the tools that people need to thrive and be self-reliant—counseling, therapy, and resource navigation, as well as job readiness, mentoring, and skills training. Yes, we provide **food, shelter, and emergency** assistance every day, but we also offer specialized support for those who need it.

Why do we need financial support? As a leading social services provider, we serve our neighbors regardless of faith tradition, with a staff from many religious backgrounds—not just Catholic. **Only five percent of our revenue is provided by the diocese and church donations.** Financial support from corporations, foundations, and individuals is critical to meeting the needs of our neighbors. Please support the ongoing work of Catholic Charities by participating in *Festival of Hope*. Many of our neighbors need your help. By joining us you **give them love, hope, and healing.**
