

# Festival of HOPE

A BENEFIT FOR CATHOLIC CHARITIES

Tuesday, March 3, 2026 • Catholic Pastoral Center  
7:00 a.m. Registration/Networking • 7:30 a.m. Program/Breakfast

Our annual *Festival of Hope* breakfast plays a crucial role in funding essential programs that support individuals and families in need. From emergency assistance and emotional support to employment services, we are dedicated to recognizing the dignity of all people and serving our neighbors, regardless of their faith tradition.

## ***We Are There with Love, Hope and Healing***

For more than 63 years, we have brought love, hope, and healing to vulnerable individuals and families across Middle Tennessee. Our work is a tangible response to the Gospel call to care for the least of these among us. We focus on several priority areas, including hunger relief, housing support, family assistance, immigration services, job training, and emotional support to help our neighbors regain stability.

## ***Meeting the Growing Needs of Our Community***

Our staff of 70 serves more than 25,000 Middle Tennesseans annually across eight locations. As the region experiences rapid growth, more and more neighbors find it increasingly difficult to make ends meet. Our multifaceted program focuses on moving people toward self-reliance. Through crisis stabilization, education, mentoring, and workforce development, we empower people to build sustainable livelihoods in our community.

## ***Why Your Support Is Needed***

As one of the leading social service providers in the region, Catholic Charities has a long-standing reputation for excellence. With the growing demands in our community, we urgently need expanded financial support from corporations, foundations, and individuals to ensure we can continue to serve all who turn to us for help.

We invite you to consider sponsoring *Festival of Hope* and supporting the vital work of Catholic Charities. Your support makes a significant difference in the lives of those we serve, and in the broader Middle Tennessee community.
